## Dr. Javid Shabbir, Professor & Consultant at University of Wah

### Emerging Areas of Interest

- Research Proposal Development
- Academic Writing and Publications Support
- Event Planning and Coordination for Research Activities

### Professional Summary

I am a motivated academic professional with a strong foundation in the field of Survey Sampling. Passionate about research, innovation, and capacity building, with a keen interest in supporting individuals and organizations in areas like proposal development, academic writing, and policy analysis. I am currently seeking opportunities to apply my skills and knowledge to impactful consultancy projects.

### Key Skills and Strengths

- Academic Writing and Editing
- Research Design and Methodology
- Event Coordination for Workshops and Conferences

### Recognition and Experience

- Number of research papers: 265
- Offering Consultancy services at UWCS
  - Providing professional guidance on designing, collecting and presentation of statistical data with practical application.
  - Facilitating project preparation, research publication in a suitable journal and conference presentation

### Memberships and Affiliations

- Associate Editor, *Journal of Statistical Theory and Practice*, Springer
- Academic Editor, *Asian Basic and Applied Research Journal*.
- Editor on Chief, *UW Journal of Science & Technology*.

### Availability and Consulting Terms

- Available to collaborate on projects related to research, proposal development, and event planning. Open to short-term assignments and willing to negotiate terms based on project requirements.
