

4th PAK-TURK International Conference

ON EMERGING TECHNOLOGIES IN THE FIELD OF
SCIENCES AND ENGINEERING (PAK-TURK ETSE-2021)
VIRTUAL

03-04 Nov
2021

About Conference

The Pak-Turk Conference series is a technical event which focuses on the advancement in emerging technologies. The purpose of this conference is to provide a platform for researchers, academicians and practitioners to make them familiar with recent advancements in the various fields of engineering and sciences. This conference accepts wide range of papers to encourage young and experienced researchers to present their work and also the possibility of initiating mutual collaboration with international reputed researchers and industry personals from Pakistan and Turkey.

Call for Papers!

FULL LENGTH PAPERS, EXTENDED
ABSTRACT, ABSTRACT

Organized By:

- Ghulam Ishaq Khan Institute of Engineering Sciences & Technology, Topi, KPK, Pakistan
- University of Wah, Wah Cantt, Pakistan

Topics:

- Artificial Intelligence
- Biotechnology
- Chemistry & Chemical Engineering
- Civil Engineering
- Data Science
- Electrical Engineering
- Internet of Things
- Material Science
- Mathematics
- Mechanical Engineering
- Nuclear Astrophysics
- Renewable Energy Resources

Important Dates

Paper Submission
Deadline
27th September, 2021

Notification
1st October, 2021

Camera Ready
1st October, 2021

Registration
31st October, 2021

All papers will be peer reviewed prior to acceptance and will be published in conference proceedings. The extended version of accepted papers will be reviewed and indexed in scopus and Thomson Reuters conference Proceedings citation index.
