Welcome

Lieutenant General Omar Mahmoud Hayat III (M) has recently taken over as Chairman POFs Board and Chairman BOG, UW. He brings with himself 32 years of varied and valuable experience of academic institutions and services both within the country and abroad. While welcoming the Chairman we are very sure that the UW will progress by leaps and bounds under his patronage. Sir, welcome to the family.

With immense satisfaction, I recount that the University of Wah has completed a decade of its existence. During these eventful years, UW has established itself as a reputable higher education institution recognized for its outstanding performance. Because of its distinguished credentials, Pakistani Engineering Council (PEC), National Accreditation Council for Teacher Education (NACTE) and National Computing Education Accreditation Council (NCEAC) have accorded uninterrupted accreditation to its academic programs.

I strongly believe that it is our collective responsibility to take UW further to pinnacle of excellence. During the journey we shall encounter multiple challenges. These challenges have to be transformed into opportunities leading us to our cherished destination. In this journey some recent milestones achieved include: Online Admission and Clearance System, establishment of Student Facilitation Center, Quality Assurance and Enhancement (QA&E) Cell and Office of Research Innovation & Commercialization (ORIC).

UW will, In Sha Allah, hold its third convocation in November, 2015 and make it a regular feature for subsequent years. In order to cover the backlog, convocations will also be held in first half of each year; starting March 2016, till the process is completed for the already graduated students.

I earnestly encourage all to continue with their sincere efforts to achieve the results as outlined in the vision of the University, thereby, enabling UW to achieve its rightful place in the community of internationally acclaimed universities. As part of its priorities to encourage and acknowledge hard work and performance, Best Student and Best Teacher awards, in addition to the routine prizes, is also being instituted.

Allow me to document my sincere gratitude to Lt Gen Mahamad Ahsan Mahmood HI(M) (Retd), who, during his dynamic tenure as Chairman POFs Board and Chairman Board of Governors UW has left indelible mark on development of the University which in UW parlance has been nothing short of incomparable.

I also take this opportunity to welcome Lt Gen Omar Mahmood Hayat HI(M) on assuming office of the Chairman POFs Board and Chairman Board of Governors, UW. I am very hopeful that the current pace of progress of UW will receive further impetus and attain new heights under his kind guidance and leadership.

Engr Khaliq Ur Rehman Shad
Ph.D. (Stanford)
Expression of Gratitude

Lt. Gen. Muhammad Ahsan Mahmood HI (M), Chairman, POs Board and Chairman, Board of Governors, University of Wah relinquished office on the eve of his retirement on 19 April, 2015. A Board of Governors meeting was held on 08 April, 2015 to acknowledge the contributions rendered by the outgoing Chairman. A Resolution of Gratitude was unanimously passed by the BOG, salients of which include:

“University of Wah expresses its profound appreciation and gratitude to Lieutenant General Muhammad Ahsan Mahmood HI (M) for his visionary leadership and commendable renderings to the University during his tenure as Chairman, BOG.

His liberal, pragmatic and assured support in the key developmental projects has left a deep impact on the physical and academic infrastructure of the University. Landmark developments during his dynamic leadership have poised the University to mature into a leading higher education institute within limited period.

His tenure as Chairman Board of Governors will be remembered as the golden era in the University’s history.”

University Management

Board of Governors’ Meeting

Fifth Meeting of Board of Governors of the University of Wah was held on 08 April, 2015 under the chairmanship of Lt. Gen. Ahsan Mahmood HI (M), Chairman POs Board and BOG-UW.

The agenda included:
- Confirmation of Minutes of 3rd Board of Governors Meeting held on 13 June, 2014
- Approval of the Minutes of the Meeting of Selection Board of University of Wah held from 19-21 August, 2014, 07-08 January, 2015 and 25 March, 2015
- Budget approval for the Financial Year 2015-16
- Confirmation of actions taken by the Chairman Board of Governors in anticipation of the approval of the Board of Governors

Academic Council Meeting

Fifth Meeting of Academic Council of University of Wah was held on 17 June, 2015 on following agenda points:

- Confirmation of Minutes of 4th Academic Council Meeting held on 10 December, 2014
- Consideration of the recommendations of:
  a. Board of Faculty of Engineering
  b. Board of Faculty of Basic Sciences
  c. Board of Faculty of Social Sciences & Humanities
  d. Board of Faculty of Computer Sciences
- Revision of the grading system
- Approval of the decisions taken by the Vice Chancellor in anticipation of Academic Council Meeting

Finance & Planning Committee Meeting

Sixth meeting of the Finance and Planning Committee of the University for budget allocation for FY 2015-16 was held on 30 March, 2015.
re-accreditation of BS in Computer Sciences program. The committee members included Dr. Ayub Alvi, Dean, National University of Computer and Emerging Sciences (FAST-NUCES), Islamabad and Dr. Abdul Jill, Director Quality Control, Pakistan Institute of Engineering and Applied Sciences (PIEAS), Islamabad. Most of the requirements for accreditation of the said program were met and the decision in this regard is awaited.

Infrastructure Development

University of Wah has undertaken a large number of infrastructure development projects. Updated status of these projects is as under:

- Three Volley Ball Courts-UW: Completed
- Two outdoor Badminton Courts-UW: In progress
- Two Basketball Courts-UW: In progress
- Construction of Cafeteria-UW: In progress
- Construction of Girls Hostel-UW: In progress
- Construction of Multipurpose Hall-WEC: In progress
- Construction of Drawing Hall-WEC: In progress

VC’s Visit to Construction Site of Girls Hostel-WEC

Vice Chancellor visited the construction site of Girls Hostel on 19 March, 2015, along with Principal WEC and other senior staff of University to review the progress. Col. Murtaza briefed the officials.
Labs Development
Department of Chemical Engineering-WEC
- The Department has placed purchase orders, worth Rs. 4.0 million, for provision of equipment for the following laboratories:
  a. Mass Transfer Lab
  b. Energy Engineering Lab
  c. Industrial Instrumentation Lab
- The Department has been given approval to set up a dedicated Computer Lab comprising of 50 latest PCs in order to meet the educational requirements.

Seminars/Workshops/Conferences/Lectures
- Students and faculty members from Department of Physics-UW attended seminar on 14 May, 2015 on “Application of Ionizing Radiation in Everyday Life, Radiation Hazard & Means of Protection” at University Auditorium by a team from Pakistan Nuclear Regulatory Authority (PNRA).
- On 11 April, 2015, students from Department of Psychology-UW attended a workshop arranged by Therapy Works, Islamabad on “Understanding and Handling Trauma”. Dr. Jan Moja from UK was the resource person.
- One day workshop for the Controllers of Examinations from public and private sector universities was organized by the Higher Education Commission on 05 March, 2015 on the topic: “Way Forward to Address the Challenges and Issues Faced by HEC while Attesting the Educational Credentials of Pakistani Institutions in 21st Century”. Detailed deliberations were made regarding streamlining the mechanism of attestation/verification and equivalency of degrees. The participants were informed that the HEC Policy in this regard will be sent out after due approval. The University of Wah was represented by Engr. Muhammad Nisar, Controller of Examinations.
- Faculty from Department of Mechatronics Engineering-WEC attended a workshop from 20 April – 01 May, 2015 on “Advanced / Professional C.N.C Programming on AMCO Milling / Lathe Machines” at C.N.C Lab, POI Institute of Technology (POFIT), Wah Cantt. Mr. Saqib Shehzad, Chargeman (Mechanical), POFIT, conducted the workshop.
- Faculty from Department of Mechatronics Engineering-WEC attended a workshop from 13 – 14 March, 2015 on “Robot Operating System” at NUST College of E&ME, Rawalpindi. Asst. Prof. Dr. Kunwar Faraz, Department of Mechatronics Engineering, E&ME College, was the resource person for this workshop.
- Faculty from Department of Mechatronics Engineering-WEC attended a workshop from 25 – 27 March, 2015 on “Fundamentals of Instrumentation and Control” at COMSATS Institute of Technology (CIIT), Islamabad. Prof. Dr. Shahid Qamar, Dean Research, Innovation and Commercialization (RIC), CIIT, was the resource person for the workshop.
- Department of Electrical Engineering-WEC in collaboration with Pakistan Engineering Council organized a Continuing Professional Development (CPD) activity titled “21st Century Robotics” on 02 June, 2015 at Wah Engineering College. Dr. Awais Yasin, HOD (Embedded Systems Design), National Development Complex (NDC), was the guest speaker.
Ms. Uzma Khalid Ghorai and Ms. Svea Noreen Batoof from the Department of Education-UW attended National Conference/Symposium on “Global Trends in Curriculum Development and its Implementation” on 06 February, 2015 organized by the HEC.

Dr. Nazim Zaman, Chairperson, Department of Management Sciences-UW, attended “10th International Conference on Islamic Economics and Finance” arranged by the Qatar Faculty of Islamic Studies, Hamad bin Khalifa University from 23-24 March, 2015 in Doha, Qatar and chaired the session on Institutional Perspectives.

Dr. Basit Bilal Koshul, Associate Professor of Lahore University of Management Sciences (LUMS) was invited as a guest speaker on 06 March, 2015 to deliver a lecture on “The Contemporary Relevance of Allama Iqbal” in University Auditorium. Faculty and students attended the lecture.

University of Wah in collaboration with National Highway and Motorway Police (NH&MP), organized a traffic awareness lecture on 09 April, 2015, in University Auditorium.

Dr. Syed Waqas Hassan, Department of Biosciences-UW, attended “International Symposium on Life Science & Biological Engineering” organized by American Association for the Advancement of Science (AAAS) from 27-29 June, 2015 in Bangkok, Thailand.

Mr. Muhammad Salman, Department of Mechatronics Engineering, represented Wah Engineering College by giving a project presentation in 4th Tet Ar-Ge Proje Pazari on “6 DOF Robotic Arm for Robotic Laparoscopic Surgical Training” from 08-15 April, 2015 in Istanbul, Turkey.

A C-lecture titled “Career Development Challenges in Electrical Engineering” was organized by Department of Electrical Engineering-WEC on 11 March, 2015 at Wah Engineering College. Dr. Saad-ul-Rehman, Assistant Professor, EME College, NUST was the guest speaker.

Mr. Murtaza Ali Shah, CEO of Rapid Construction Pvt. Ltd., was invited as a guest speaker on Thursday, 30 April, 2015, by the Faculty of Management Sciences-UW to deliver a lecture to MBA students on “Entrepreneurship.”
from WEC and UW participated in all the modules which included Rapid Design, Bridge Building Competition, Power of Water, Oral Presentation, Oral Poster, Water Rocket Competition, CAD Modeling Competition and Mind Crunch. The event concluded with award of certificates and cash prizes. Moreover, the winner of Rapid Design was given the opportunity to represent WEC in International Mechanical Engineering Convention (IMEC).

Participation in Declamation Contest for the Award of 17th Allama Iqbal Shield-UW

Three students from University of Wah participated in the 2nd round of Declamation Contest for the Award of 17th Allama Iqbal Shield on 06 March, 2015 at Lahore College for Women University under the auspices of HEC.

Participation in 17th Regional Inter-Universities Declamation Contest-UW

A team from the University of Wah participated in the 17th Regional Inter-Universities Declamation contest on 06 March, 2015, arranged by HEC in GC University Lahore.

Blood Donation Camp-UW

A Blood Donation Camp was organized by Jamila Sultana Foundation on 09 April 2015. A large number of students participated in this noble cause.

Participation in Design Build and Fly Contest 2015 (DBFC-X)

“Design Built & Fly Contest” was held in Ghulam Ishaq Khan Institute (GIKI) under American Institute of Aeronautics & Astronautics (AIAA) GIKI Chapter on 24-26 April, 2015. Eighteen teams from across the country participated. WEC was represented by the team “Air Disruptors”.

Participation in International Mechanical Engineering Convention (IMEC) and Student Professional Development Conference (SPDC)

ASME WEC Chapter participated in International Mechanical Engineering Convention (IMEC) and Student Professional Development Council (SPDC) held at Ghulam Ishaq Khan Institute (GIKI), Topi, KPK, under ASME GIKI Chapter from 17-19 April, 2015. The students took active part in both the events, securing 2nd position in Rapid Design and 3rd, 4th and 5th positions in Human Powered Vehicle Challenge modules.

7th Annual Flower Arrangement Competition - UW

A flower arrangement competition was organized by Department of Biosciences-UW on 15 April, 2015 in University Auditorium. Vice Chancellor, Prof. Dr. Khalique Ur Rehman Shad S1 (M), was the chief guest. All Deans, Chairpersons, faculty members, staff and students from University and WEC joined this occasion. Students enthusiastically participated in the competitions of Fresh Flower Arrangement, Dry Flower Arrangement, Pencil Sketching and Miniature Gardening.
Department of Biosciences and Computer Sciences-UW won the Miniature Gardening and Dry Flower Arrangement competitions respectively, while Department of English-UW won the competitions of Fresh Flower Arrangement and Pencil Sketching. Department of Biosciences-UW was declared as overall winner for the year 2015.

**Farewell Party 2015-UW**

The following departments arranged farewell parties for their outgoing students:

- Department of Chemistry-UW organized farewell party on 06 June, 2015 for the outgoing students at Ordnance Club. It comprised of skits, games and dance performances which were highly appreciated by students. The party concluded with sumptuous lunch.
- Department of Biosciences-UW arranged a farewell party on 06 June 2015.
- Department of Computer Sciences-UW organized a Farewell party on 18 April, 2015 at Al-Uroos Marriage Hall, Wah Cantt.
- Students of Department of Mathematics-UW arranged a farewell party in the honor of outgoing students of MSc and BS (Hons.) on 24 May, 2015 at the Ordnance Club. A variety program was also presented by the Departmental Dramatics Club on the occasion.

**Sports Week 2015-WEC**

Annual Sports Week was held from 13-17 April, 2015 at Wah Engineering College. Students and faculty from all departments took active part in all the events. The gender-wise details of results in various competitions are as under:

**Girls' Competitions-WEC**

Department of Electrical Engineering won the competitions of Badminton (Singles), Table Tennis (Doubles), Skipping, Net Ball, Rally Race, 200 Meters Race, 100 Meters Race and 50 Meters Race. Department of Mechanical Engineering won the Table Tennis (Singles) competition, while Badminton (Doubles) event was won by Department of Civil and Mechanical Engineering. In Faculty vs. Students competitions, Badminton (Singles) event was won by faculty of Chemical Engineering and Badminton (Doubles) event was won by faculty of Civil and Mechanical Engineering.
Boys’ Competitions-WEC
Department of Mechanical Engineering won the competitions of Cricket, Table Tennis, Badminton and Long Jump. Department of Electrical Engineering won the competitions of Football and Chess. Department of Civil Engineering won the competitions of Counter Strike and Call of Duty and Department of Mechatronics Engineering won the competitions of Basketball and 100 Meters Race. Finally, Department of Chemical Engineering won the Volleyball and Tug of War competitions. In Faculty vs. Students competitions, faculty won the team events of Cricket and Tug of War. The ‘Player of the Year’ award was given to Mr. Muazzam Mateen from Department of Mechatronics Engineering. The Championship Trophy was shared between Electrical Engineering Department and Mechanical Engineering Department.

Prize Distribution Ceremony-WEC:
A Prize Distribution Ceremony was held on 25 June, 2015 at Ordnance Club to commemorate the achievements of students in extracurricular activities. Brig. Dr. Akhtar Nawaz Malik (Retd.), Principal WEC, was the Chief Guest. Shields and certificates were awarded to the winners and runners-up. A large number of faculty and students attended the occasion.

Spring Fiesta –WEC:
Spring Fiesta was held on 16 May, 2015 at Wah Engineering College. Different food and cultural stalls were set up by the students. Over 400 students of WEC and UW enthusiastically participated in the competitions of Painting, Sketching, Drama, Singing and Dancing (Boys). The Department of Civil Engineering-WEC won Sketching and Dancing (Boys) competitions. Department of Computer Sciences-WU won the Painting competition. Department of Management Sciences-UW won the Singing competition and Department of Biotechnology-UW won the Drama competition.

Continuing its tradition of providing opportunities to students to prove their competitive mettle, the annual inter-departmental declaration contest was held on 27 May 2015 in Wah Engineering College. Students from all departments actively participated in the events of English and Urdu (Serious and Humorous) Speech. Department of Mechatronics Engineering-WEC won the contest of English and Urdu (Humorous) speech-making and was declared the overall winner of the competition. Department of Mechanical Engineering-WEC won the Urdu (Serious) speech-making contest.
Musical Concert - WEC
A musical concert was organized by the Fine Arts Club-WEC as concluding part of the Spring Fiesta. The event was highly enjoyed by the students.

Job Fair Chemical-2015 – WEC
Phitech solutions, a local partner of Aspen Tech Inc., USA, with the collaboration of Department of Chemical Engineering-WEC conducted a job fair on 10 June, 2015 at Wah Engineering College. Final year students of the department benefitted from this opportunity.

Participation in IST Youth Carnival 2015-WEC
Students from Wah Engineering College participated in the Youth Carnival held from 07 - 09 May, 2015 at Institute of Space Technology, Islamabad. Students participated enthusiastically in the event and secured 14 positions in 20 competitions. Wah Engineering College was declared 3rd best institute among the participants.

Participation in Spring Flower/Lawn and Pet Competition-MDC
Mashal Degree College participated in the Spring Flower/Lawn and Pet Competition organized by the POFs authorities on 28 March 2015 to create awareness concerning environmental pollution. All institutions, factories and offices of the POFs took part in this competition. Mashal Degree College secured second prize in the Lawn Competition.

Education Expos UW-2015

The News Education Expo 2015 - UW
University of Wah participated in the 'News Education Expo 2015' organized by the News Group from 27-28 May, 2015 at Pak-China Friendship Center, Islamabad. The UW team set up the University stall, highlighting the educational activities of the University and its constituent colleges and the academic programs offered. Hundreds of potential students and their parents visited the University Stall and showed keen interest in the offered programs.

After this Expo, a Certificate Distribution Ceremony was arranged on 12 June, 2015 at University to appreciate the efforts of the UW team. The Vice Chancellor awarded certificates to the UW team and members of Media and Publication Wieg-UW.

Welcome Party 2015 -WEC
Welcome party was arranged on 18 March, 2015 at POF Hotel for new intake of WEC students. The event was attended by a large number of faculty and students. The freshers appreciated the excellent gesture of their seniors.

Express News Education & Career Expo 2015 - UW
Education & Career Expo was organized from 13-14 May, 2015 by the Express News at Pak-China Friendship Center, Islamabad. Students from Department of Computer Sciences-UW participated in different competitions including Painting, Sketching, Dance and Fashion Show.

Welcome Party-WEC

Farwell Party 2015-WEC
An annual farewell party was organized for the outgoing batch on 16 June, 2015 at POF Hotel. The colorful event included stage performances, titles to final year students by their juniors and memorable videos by all departments. The party concluded with a lavish dinner.

Study/Recreational Trips

- Department of Chemistry-UW visited Best Way Cement Industry in Hattar, on 06 May, 2015.
- Students from Department of Chemistry-UW visited Qarshi Industry, Hattar (KPK) on 12 May, 2015.
- Students from Department of Chemistry-UW visited Shaigan Pharmaceuticals, Rawalpindi on 18 June, 2015.
- A study tour was arranged by the Department of Islamic & Pakistan Studies-UW on 12 June, 2015 for the students of Departments of Management Sciences and Biosciences-UW to Shahdara, Lok Virsa Museum, Pakistan Monument, Pakistan Monument Museum and Pakistan Museum of Natural History, Islamabad.
- A recreational trip was arranged by Department of Computer Sciences-UW to Toli Peer, Azad Kashmir on 30 May, 2015.
- A recreational trip was arranged by the Department of English-UW to Daman-e-Koh and Lake View Park on 28 March, 2015.
- Department of Mathematics-UW arranged a recreational trip to Ayubia on 24 April, 2015.
- A study tour to National Center for Physics (NCP), Islamabad, was arranged by the Department of Physics-UW from 14-16 April, 2015.
- A recreational trip to Murree was arranged by the Department of Sociology-UW on 27 March, 2015.
- A recreational trip to Patriata was arranged by Department of Biosciences-UW on 23 May 2015.
- A study trip was arranged for the students of Department of Biosciences-UW to Khanpur on 03 June 2015.
- Students from Department of Civil Engineering-WEC visited the following places and industries:
  a. M-2 (Islamabad to Lahore) Toll Plaza on 30 March, 2015
  b. Askari Cement Factory, Wah on 02 April, 2015
  c. Pakistan Met Department, Islamabad on 08 April, 2015
  d. Rawal Dam, Islamabad on 09 April, 2015
  e. Askari Cement Factory, Wah on 20 April, 2015
  f. Ganj Glass Factory, Hassan Abdal on 13 May, 2015
  g. Ghazi Brotha Hydro-Power Station Plant, Attock on 28 May, 2015.
- Students from Electrical Engineering-WEC visited the following places and industries
  a. Heavy Electrical Complex, Hattar on 16-17 March, 2015
  b. Bestway Cement Limited on 09 April and 12 May, 2015
  d. National Institute of Electronics (NIE), Islamabad on 11-12 May, 2015
  e. Chitral Engineering Works, Taxila on 27th May and 1st June, 2015.
- A study visit to Heavy Industries Taxila (HIT) was arranged on 21 April, 2015 by ASME WEC Chapter and Professional Society Mechanical Engineering (PSM) for student members of second and third year.
Faculty Development Programs

- Dr. Samina Rashid, Department of Psychology-UW has been awarded PhD degree on 14 April, 2015.
- Ms. Rifat Naseer, Department of Islamic & Pakistan Studies-UW has successfully completed her PhD coursework from Quaid-e-Azam University, Islamabad.
- Mr. Hafiz Shuaib Farooq, Department of Islamic & Pakistan Studies-UW has presented his research proposal after successful completion of his PhD coursework from HITEC University, Taxila.
- Ms. Fouzia Ayub, Department of Islamic & Pakistan Studies-UW has enrolled in PhD program at Allama Iqbal Open University, Islamabad.
- Ms. Razia Virk, Department of Biosciences-UW has enrolled in PhD program in Quaid-e-Azam University, Islamabad. She has been serving in the University of Wah for the last eight years.

Industrial Linkages

- Department of Psychology-UW has established a link with Social Security Hospital Rawalpindi, for the Internship of students.
- Department of Biosciences-UW has developed Institutional Linkages with the following Institutions:
  a. NIH (National Institute of Health) Islamabad
  b. Institute of Aquaculture and Fisheries, National Agricultural Research Center (NARC), Islamabad
  c. Qarshi Herbal Research Center (QHRC), Lahore
  d. World Health Organization (T. B. Control Centre, Pakistan Chapter)
  e. Medlay Pharmaceuticals, Wah Cantt

  Students of M.Phil program are conducting their research work in collaboration with NIH (Allergy Centre), Islamabad, Institute of Aquaculture and Fisheries-NARC, Islamabad and PMAS-Arid Agriculture University, Rawalpindi.

Funded Projects from External Agencies

- Department of Electrical Engineering-WEC has submitted a total of seventeen proposals of final year projects for award of grants, under the ICT R&D Research Initiative program 2014-15. After a thorough evaluation, three project proposals out of the seventeen have been shortlisted and each shall be awarded a sum of Rs. 90,000 from the ICT R&D fund.

Introduction of Additional Academic Programs

- The following departments have initiated Masters in Philosophy (M Phil) program in Fall-2014:
  a. Department of Biosciences-UW
  b. Department of Chemistry-UW
  c. Department of Physics-UW
  d. Department of Education-UW
- The Department of Mathematics-UW has started MS program in Spring-2015.
- Mashal Degree College-UW has initiated short courses spanning over one to three months from 27 April, 2015 in selected areas in the fields of Computers, Language, Fine Arts and Home Economics.

Awards/Honors Achieved

- An article named “Quality in Education: Myth or Reality?” by Ms. Syeda Noreen Batool, Lecturer, Department of Education-UW was published on 30 May, 2015 in DAWN newspaper's annual feature titled "Higher Education Gazette".
- The Department of Chemical Engineering-WEC has acquired the membership of American Institute of Chemical Engineers (AIChE-USA) to enable students to get access to international research journals.
Research Publications / Papers Presented in Conferences

- Dr. Safia Saeed, “Gauge of Performance: Delineate the Teachers Proficiency in the Technique of Test Construction”, 6th Post Graduate Student Conference at the University of Punjab, Lahore, 18 March 2015
- Uzma Khalid Ghor, “Benefits and Effectiveness of Continuous Professional Development for the Teachers of Higher Education”, 6th Post-Graduate Student Conference at the University of Punjab, Lahore, 18 March 2015
- Uzma Khalid Ghor, “The Lost Promise: Realizing the Need to Generate a Passion of Teaching”, International Conference on Management, Education and Social Sciences Research at University of Karachi, Karachi. 04 – 05 April, 2015
